MCI Status: Approved ([List of MCI Approved Universities](#))

Vitebsk State Medical University (VSMU) is one of the most dynamic and excellent universities in Europe and CSI nations. Vitebsk State Medical Institute was established as a hospital-medical institute in November 1, 1934 by Resolution of the Council of People's Commissars of the BSSR. The total number of students on all courses was 250. rewarded with highest level accreditation by the Ministry of Education and Science of Belarus. All the degrees issued to foreign students are dully legalized and apostatized by the Foreign Ministry of Belarus. It included 32 theoretical and clinical departments. Since September 1981 Vitebsk State Medical University started to train the overseas students on Preliminary Training, Medical and Pharmaceutical Faculties. The number of foreign students was increasing and in 1997 the Faculty of Overseas Students Training was opened. For the large merits in training physicians for public health of Asia, Africa, Near East and Latin America, the Vitebsk State Medical University was awarded with the Medal of Peoples Friendship by the Presidium of the Supreme Soviet of the USSR.

Students enrolled at the University will be admitted to the Preliminary Training Course. This is 10 months study program to learn Russian language and basic subjects including Biology, Chemistry and Physics. Students who successfully pass all the exams after the Preliminary Training Course are transferred to the 1st year of the basic faculties. However, the students who want to study in English medium are admitted directly to the 1st year without Preliminary Training Course, but they will get a chance to study Russian as an international language. Vitebsk State Medical University has 5 comfortable student's hostels with well organized services: laundry, kitchen, cafeteria, and student cafe, post office, Internet, spots club, big super market near the students' hotel and so on. The registration with MCI would be done only for MBBS after giving [MCI screening test](#).

We represent more than 35 Medical universities from various countries. However, these are TOP 10 Universities from suggested on various parameters. Though studying medicine in America is an expensive proposition, it is still beneficial to the Indian students and costs lesser than Indian private medical colleges!
