UNIVERSITY GRADES FOR MBBS IN CHINA

There are various grades of Medical Universities in China which are approved by MCI (Medical Council of India) such as A+ / A / B+ / B / C+ / C allocated by WHO. Cost of B grade universities is less. The MCI approved medical colleges in China are the largest in any one country. The ratio of students passing the MCI screening Test / FMGE from different grades is quite different. Also, the intake eligibility and the cost of top medical colleges in China are also high due to higher grades. There are many top MBBS universities in China.

International students can opt to study MBBS in China medical university or Huazhong university of science and technology and many more which also include some of the best medical universities in China English medium. One can study medicine in China on scholarship as well.

The MBBS fee structure in China at the top universities in China for MBBS is varied since all grades of universities of China for MBBS are approved by MCI. Accordingly, it is important to go through the MBBS study in China reviews. The problem is they are all better than Indian ones! So reviews from the Indian students in China medical colleges is always good, even in 'C' grade! Few "C" grade universities claim China MBBS in English medium but they do not have good English speaking teachers leading to self-study for the Indian students in China.

If you are looking for the best MBBS colleges in China, go for "A" Graded ones. DOCTOR BRIDGE ABROAD MBBS suggests that instead of looking for China MBBS colleges ranking (*which can be influenced on the internet*), it is better to go by the grades which are professionally allotted.

LOW-COST ROADMAP TO STUDY MD / MS IN USA AFTER MBBS IN CHINA.

Many of the qualified students who wish to become a physician or a doctor in USA lack sufficient budget. DOCTOR BRIDGE ABROAD MBBS is the largest company recruiting Indian students for MBBS in USA program. Every year, we place around 200 Indian students for USA. However, there is a bigger lot of Indian students who wish to become doctor and practice in USA. We have this alternative route for them. Now, the students can learn MBBS in Russia and start preparing for USMLE Step 1 exam coaching online & USMLE step 2 CK online coaching during their MBBS abroad studies.

The USMLE step 1 coaching guide will consist of various materials:

- 220 Hours of Video and Audio contents.
- 6 to 9 months of interactive online study access.
- Access to the question bank on USMLE Step 1 Exam.
- Huge volumes of hardcover original books and interactive e-books.
- A dedicated mentor to support you throughout the studies.
- Hand holding for ECFMG application process.
- 24 x 7 access to the whole learning resources while you to study MBBS abroad.

The students must note that USMLE step 1 and USMLE step 2CK are online exams. DOCTOR BRIDGE ABROAD MBBS is the top MBBS abroad consultants in Mumbai providing the option of MD in USA while you are studying MBBS at top medical college in Russia. Once you clear these exams (Step 1 would require minimum 230 to ensure entry into Medical PG in USA), we would assist you with clinical rotations in USA. The green book rotations would be conducted in ACGME accredited hospitals during which you are expected to get the letter of recommendations (LOR) to enhance your residency (PG) in USA. During these rotations, you would also appear for USMLE Step 2 CS exam in USA. So always have 2 coaching options with you:

- MCI Screening Test coaching (To be replaced by an exam namely 'NEXT')
- USMLE Step 1 & 2CK exam coaching to end your medical journey to USA.

MEDICAL SYLLABUS IN CHINA.

The medical syllabus in China, i.e. the MBBS studies in China is based on European system and all the 19 subjects taught in Indian medical program are all covered. All the Chinese medical schools follow more or less the same course and curriculum and cover these subjects. This makes medical studies in China quite uniform across the country at various top medical colleges in China. However, it is important for the Indian students must remember about MCI Screening Test to be given after MBBS from China. You would not find many Indian teachers in China due to the language barrier! The syllabus mostly remains the same for students who wish to study medicine in China in English medium. Various medical schools in China English medium provide a good quality education and practical experience for those who wish to study MBBS in China in English

TOP-RANKED MBBS IN CHINA COST / FEE STRUCTURE 2019

The cost of private medical colleges in India is far more than the total cost of studying MBBS in China at even the top 10 medical colleges in China. The cost to study MBBS in China at 'A' or 'B' graded universities is in the range of Rs.3 to 4 Lac per year fees. The living cost in China for the Indian students is hardly Rs. 7,000 per month. Few smart choices are also available for early applicants such as 5 years program in low-cost MBBS study in 'A' Graded university in China such as in China Medical University. The students return to India for Internship saving 1 year and almost Rs. 5 Lac while studying in 'A' Grade! Apply before 15th June for this university. China has a variety of universities and medical schools, from cheap medical colleges in China to the most expensive medical college.

BDS in China fee structure also differs from one med school in China to another. Most of the international students study medicine in China on scholarship. Graduating from the top 10 medical universities in China promises and assures a great future. Medical schools in China cost much lower than MBBS in USA, Europe, India as well as some of the other Asian countries.

RESERVE A SEAT IN [MBBS ABROAD](#) ADMISSION 2019

In 2016, many of the students were waiting for NEET 2 exam. These students are making a big mistake since the application deadline for most of the MCI approved [MBBS abroad](#) universities would pass. In turn, they would waste one more year by repeating the year. DOCTOR BRIDGE ABROAD MBBS offers you an innovative solution by reserving your seat and taking the admission letter in your hand as your PLAN B. In case you get the admission through NEET 2, you need not go to your chosen university for [MBBS in abroad](#). However, in case you do not make it, at least your backup plan is ready! It would be a smart decision for those students who already booked their medical seats. You must take note of important points:

- The fees of private medical colleges in India today is around Rs. 75 Lacs for the full course.
- The admission to the private medical colleges would be only for top 2-3% of the NEET 2 takers.
- If you have prepared only for the state boards, it would be very difficult for you to prepare for [NEET 2019](#) also!
- You do not need to pay even a single Paisa for reserving the seat except university application fees.

So just reserve the seat in an MCI approved [MBBS abroad](#) university as per your budget and relax! Kindly note that many unprofessional agents collect money from you for the first year tuition fees from you. As you can see, DOCTOR BRIDGE ABROAD MBBS clearly gives you an indication of the actual fees and its service charges.
